SD Talks Special Series on Climate Action

Session#1 | Paris Agreement & the SDGs: One Agenda for a Sustainable Future

Join us for the opening session of our 7-episode webinar series on Climate Action. This first webinar will focus on the link between the Paris Agreement and the sustainable development agenda, and will look at how this mutually reinforcing relationship affects their implementation.

At the end of the discussion, participants will have the opportunity to ask their questions directly to the speakers during the live Q&A session.

3 May 2017, 3:15 - 4:30 pm CEST (9:15-10:30 am EDT)
